

How it works:

All Kindergarten through fifth grade students can take the **100 Book challenge**.

The rules are simple:

1. Starting from the date you pick up this sheet, begin reading books from our recommended lists: Favorite Children's Books: K-1, Favorite Children's Books: 2-3, and Favorite Children's Books: 4-5. (see FAQs for how to access)
2. Check out your books from the Three Rivers Library or use MEL to borrow copies from another Michigan library.
3. When you finish a book, tell the staff member at the children's circulation desk and you can mark your tally sheet. Pick your next book.
4. In the spring or summer of the second year (1st grade, 3rd grade, 5th grade), claim your mini prize—a \$5.00 Lowry's gift card.
5. When you have completed all three groups, your prize is a \$10.00 Lowry's gift card and your picture on the pillar of fame.
6. That's it! (but see the FAQs for more details)
